DETAILED ACTION

This Office Action is in response to Applicant's response filed 7-7-04, which has been entered and considered. Claims 1-14 are currently pending.

Election/Restrictions

Applicant's election of claims 1-14 in the reply filed on 7-7-04 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

This application is in condition for allowance except for the presence of claims 15 to 18 non-elected without traverse. Accordingly, claims 15-18 been cancelled.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or disclose or make obvious a method for manufacturing a package substrate, according to independent claims 1, 9, or 14.

Hirose et al. (2002/0189849) discloses the elements of said claims (Figs.1-8), except Hirose does not disclose removing the electrolessly plated layer from the terminals prior to plating gold, or removing the electrolessly plated layer from the non-terminal portions after said gold plating.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2813

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
